

Remarks/Arguments

The Office Action dated March 16, 2006 has been received and carefully studied.

The Patent Office notes that Figures 17A-D and 18A-B are contained in the Drawings but not listed in the brief Description of the Drawings in the specification. In response to that inconsistency, the applicant has added a new paragraph, describing the omitted figures. This new paragraph should appear between the descriptions of Figure 15 and Figure 20. No new matter has been added.

Respectfully submitted,

Robert C. Frame
